Cool Runnings Bashment

Ole Time Jamaican Feast

Take your guests on a journey to the rich, colourful traditions of folk dancing, pulsating drumming, pageantry and music under a brilliant star-lit sky. The journey begins as tiki torches, sand bags and candles light the way to a plantation-style setting. A scrumptious buffet fit for royalty awaits, while local entertainers serenade you with traditional Jamaican folk songs and dances.

Pirates of the Caribbean

Ahoy mates! Recreate the revelry of a time with pirates and wenches, buccaneers and shipwrecks and hidden treasures under the sea. A delectable menu of tropical bounty, succulent meats roasted and grilled over open flames accompanied by savory sauces that satisfy the lustiest of appetites.

International Street Festival

What better way to celebrate our melting pot of cultural traditions than with an international street festival. Here cultures collide in a wonderful taste sensation that transports you around the globe. From Asian to Mediterranean, the Caribbean to the Americas this festival defines why we are "out of many one people."
